### KEEP THE CATS COMING!

Pledges continue to come in the PARTS office as members submit their pledges of three GM catalytic converters to the association. Thank you for your support as we continue to fight on issues vital to the success of your business. If you have not already done so, please help us out by faxing the attached pledge sheet today. (Note: PARTS will accept an equivalent cash donation in lieu of the converters.) A list of the members who have made pledges can be found in the left column.
